la	On 7 June, the Landrateamt in Tolmirstedt (H 53/Y 61), which had been vacated several weeks previously, was occupied by 2 officers and about 20 soldiers wearing red-bordered black equilets with tank insignia, Five trucks, including truck shipped billeting equipment to this building.
3.	During the night of 8 June, the komendatura in Altengrabow (H 53/Z 00) was transferred to Burg (H 53/Y 81). Its personnel was increased. The Altengrabow komendatura was reoccupied at the same time.
	Comment. It is not possible to draw any definite conclusions from this information on the establishment, both actual or scheduled, of komendaturas. Some were established in addiately after the war. It is believed that they were established in conjunction with measures such as the partial withdrawal of Soviet troops from still occupied military posts etc. Nowever, further information is needed to determine the character of these reasures.
